

NAVAL ARCHITECTS & MARINE ENGINEERS

INDEPENDENT MARINE SURVEYORS

Jacobsen Marineconsult A/S was established by Lars Inge Jacobsen in 1987, after serving with Det norske Veritas as a ship and engineer surveyor since 1976.

Our office is geographically located in Haugesund on the Norwegian west coast, strategically situated between Stavanger and Bergen.

- Hull & Machinery damage surveys (our speciality)
- Salvage surveys following groundings, pollution and removal of wrecks
- Consultant to average adjusters
- Average Agents
